NOTIFICATION OF LOSS OF ENTITLEMENT TO SMALL ENTITY STATUS
UNDER 37 CFR 1.27

As a result of a recently signed Cross-License Agreement by and between the assignee, The Ohio Willow Wood Company (presently a small entity) and Otto Bock HealthCare GmbH and Otto Bock HealthCare LP (large entities), the entity status for this patent should be changed from small entity to large entity. Please update the PTO records to reflect the change in status. All future maintenance fees are to be paid at large entity status.

Respectfully submitted,
